

AN ORDINANCE WAIVING THE BIDDING
REQUIREMENTS FOR THE REPAIR OF
WATER WELL NO. 3, AND DECLARING
AN EMERGENCY

BE IT ORDAINED BY THE CITY COUNCIL
OF THE CITY OF EUREKA SPRINGS,
ARKANSAS:

SECTION 1. BIDDING REQUIREMENTS WAIVED

Pursuant to Section 3.04.03, Eureka Springs Muncipal Code,
the City Council finds that the repair of Water Well No. 3
requires repair of the bowl assembly and replacement of the
pipe and that adherence to the bidding requirements is not
feasible or practical. It appears that the bidding process would
delay the repairs to the extent that the City could have to
rely for an extended period of time on the other wells; any
malfunction of the other wells could jeopardize the City's water
supply while awaiting repairs on Well No. 3. Therefore, the
bidding requirements are waived.

SECTION 2. CONTRACT AUTHORIZED

The Mayor and Clerk-Treasurer are authorized to enter
into a contract with Layne-Western Company, Inc. of Kansas
City, Missouri (and any subcontractors or parts suppliers) for the
repair of Well No. 3.

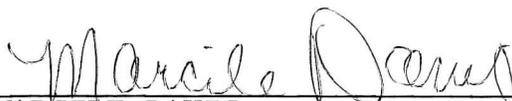

SECTION 3. EMERGENCY DECLARED.

The City finds that an emergency exists because of the
needed repairs to Well No. 3, and without making immediate repairs
the City's water supply is threatened. To protect the health,
safety and welfare of the residents of the City, this Ordinance
shall be in effect from and after the date of its passage.
