The Series 1994 Bonds shall be issuable only as fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. Unless the City shall otherwise direct, the Series 1994 Bonds shall be numbered from 1 upward in order of issuance. Each Series 1994 Bond shall have a CUSIP number.

Each Series 1994 Bond shall be dated March 1, 1994. Interest on the Series 1994 Bonds shall be payable on June 1, 1994, and semiannually thereafter on June 1 and December 1 of each year. Payment of each installment of interest shall be made to the person in whose name the Series 1994 Bond is registered on the registration books of the City maintained by First Jacksonville Bank & Trust, Jacksonville, Arkansas, as Trustee and Paying Agent (the "Trustee"), at the close of business on the fifteenth day of the month (whether or not a business day) next preceding each interest payment date (the "Record Date"), irrespective of any transfer or exchange of any such Series 1994 Bond subsequent to such Record Date and prior to such interest payment date, by check or draft mailed by the Trustee to such owner at his address on such registration books. Principal of the Series 1994 Bonds shall be payable at the corporate trust office of the Trustee in Jacksonville, Arkansas.

Each Series 1994 Bond shall bear interest from the payment date next preceding the date on which it is authenticated unless it is authenticated on an interest payment date, in which event it shall bear interest from such date, or unless it is

authenticated prior to the first interest payment date, in which event it shall bear interest from March 1, 1994, or unless it is authenticated during the period from the Record Date to the next interest payment date, in which case it shall bear interest from such interest payment date, or unless at the time of authentication thereof interest is in default thereon, in which event it shall bear interest from the date to which interest has been paid.

Only such Series 1994 Bonds as shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in Section 6 hereof (the "Certificate") duly executed by the Trustee shall be entitled to any right or benefit under this Ordinance. No Series 1994 Bond shall be valid and obligatory for any purpose unless and until the Certificate shall have been duly executed by the Trustee, and the Certificate of the Trustee upon any such Series 1994 Bond shall be conclusive evidence that such Series 1994 Bond has been authenticated and delivered under this Ordinance. The Certificate shall be deemed to have been executed if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the Certificate on all of the Series 1994 Bonds.

In case any Series 1994 Bond shall become mutilated or be destroyed or lost, the City shall, if not then prohibited by law, cause to be executed and the Trustee may authenticate and deliver a new Series 1994 Bond of like date, number, maturity and tenor in exchange and substitution for and upon cancellation of such mutilated Series 1994 Bond, or in lieu of and in substitution for such Series 1994 Bond destroyed or lost, upon the owner paying the reasonable expenses and charges of the City and Trustee in connection therewith, and, in the case of a Series 1994 Bond destroyed or lost, his filing with the Trustee evidence satisfactory to it that such Series 1994 Bond was destroyed or lost, and of his ownership thereof, and furnishing the City and Trustee with indemnity satisfactory to them. The Trustee is hereby authorized to authenticate any such new Series 1994 Bond. In the event any such Series 1994 Bond shall have matured, instead of issuing a new Series 1994 Bond, the City may pay the same without the surrender thereof. Upon the issuance of a new Series 1994 Bond under this Section, the City may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

The City shall cause books for the registration and for the transfer of the Series 1994 Bonds as provided herein and in the Series 1994 Bonds. The Trustee shall act as the bond registrar. Each Series 1994 Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully

registered Series 1994 Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

Series 1994 Bonds may be exchanged at the principal corporate trust office of the Trustee for an equal aggregate principal amount of Series 1994 Bonds of any other authorized denomination or denominations. The City shall execute and the Trustee shall authenticate and deliver Series 1994 Bonds which the registered owner making the exchange is entitled to receive. The execution by the City of any Series 1994 Bond of any denomination shall constitute full and due authorization of such denomination and the Trustee shall be thereby authorized to authenticate and deliver such Series 1994 Bond.

No charge shall be made to any owner of any bond for the privilege of transfer or exchange, but any owner of any bond requesting any such transfer or exchange shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. Neither the Trustee nor the City shall be required (i) to issue, transfer or exchange any bond during a period beginning at the opening of business 15 days before any selection of bonds of that maturity for redemption and ending at the close of business on the day of the first mailing of the relevant notice of redemption, or (ii) to transfer or exchange any bonds selected for redemption in whole or in part.

The person in whose name any bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or premium, if any, or interest on any bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the bonds or the date fixed for redemption of any bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall

accrue for the period after the date of maturity or date fixed for redemption.

Section 5. The bonds shall be executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk and shall have impressed or imprinted thereon the seal of the City.

Section 6. The Series 1994 Bonds and the Certificate shall be in substantially the following form and the Mayor and City Clerk are hereby expressly authorized and directed to make all recitals contained therein:

Section 7. (a) The City hereby confirms and relieves each of its city-wide 1% sales and use taxes levied pursuant to Ordinance No. 1120 of the City, adopted May 12, 1981 and approved by a majority of the electors of the City voting on the question at the special election held June 23, 1981 (the "1981 Tax") and Ordinance No. 1386 of the City, adopted March 20, 1990 and approved by a majority of the electors of the City voting on the question at the special election held May 1, 1990 (the "1990 Tax"), under and in accordance with Title 26, Chapter 75, Subchapters 2 and 3 of the Arkansas Code of 1987 Annotated (collectively, the "Taxes"). The sales tax portion of each of the Taxes shall be levied each at the rate of 1% on the receipts from the sale at retail within the City of all items which are subject to taxation under the Arkansas Gross Receipts Tax Act of 1941, as amended (A.C.A. §26-52-101, et seq.). The use tax portion of each of the Taxes shall be levied each at the rate of 1% on the receipts on the sale price or lease or rental price on the storage, use or other consumption of all taxable items within the City which property is subject to the Arkansas Compensating (Use) Tax Act, as amended (A.C.A. §26-53-101, et seq.). Each of the Taxes shall each be levied and collected only to a maximum tax of \$25 per each Tax for each "single transaction" as such term is defined by ordinance of the City.

(b) The City hereby expressly pledges and appropriates all of the revenues derived by the City from the Taxes to the payment of the principal of and interest on the bonds when due and to the payment of the fees and charges of the Trustee as follows: 2/3 of the collections of the 1990 Tax received in 1994; 100% of collections of the 1990 Tax received in 1995 and thereafter; and 100% of all collections of the 1981 Tax. This pledge in favor of the bonds is subject to the pledge in favor of the Series 1993 Bonds. Such revenues pledged to the payment of the bonds are hereafter referred to as the "Pledged Revenues." The City covenants that the Taxes shall never be repealed or reduced while any of the bonds are outstanding. The City further covenants to use due diligence in collecting the Taxes. Nothing herein shall prohibit the City from increasing the Taxes from time to time, to the extent permitted by law, and no part of the revenues derived from any such increase shall become part of the Pledged Revenues.

Section 8. (a) After making the deposit into the 1991 Sales and Use Tax Bond Fund created by Ordinance No. 1449 (the "1991 Bond Fund") and the debt service reserve account therein as required by Ordinance Nos. 1449 and 1530 for the Series 1993 Bonds, the City Treasurer shall deposit into a special fund in the name of the City which is hereby created and established with the Trustee and designated "1994 Sales and Use Tax Bond Fund" (the "Bond Fund") from Pledged Revenues the sums in the amounts and at the times described below for the purpose of providing funds for the payment of the principal of and interest on the bonds, as they mature, with

Trustee's fees. There shall be deposited into the Bond Fund on or before the 15th day of each month, commencing April 15, 1994, until all outstanding bonds, with interest thereon, have been paid in full or provision made for such payment a sum equal to 1/6 of the next installment of the interest due on the bonds and 1/12 of the next installment of the principal due on the bonds; provided, however, the monthly payments shall be increased so that there are sufficient funds to make the first interest payment and first principal payment due on the bonds.

The City shall also pay into the Bond Fund such additional sums as necessary to provide for the Trustee's fees and expenses. The City shall receive a credit against monthly payments to the extent of interest earnings on moneys in the Bond Fund and accrued interest deposited into the Bond Fund.

(b) The amount required to be paid into the Bond Fund shall be paid before any of the Pledged Revenues are used for any other purpose except for the payments into the 1991 Bond Fund required by Ordinance Nos. 1449 and 1530 for the Series 1993 Bonds. If the Pledged Revenues are insufficient to make the required payment on the 15th day of the following month into the Bond Fund, the amount of any such deficiency in the payment made shall be added to the amount otherwise required to be paid into the Bond Fund on the 15th day of the next month.

(c) When the moneys in the Bond Fund shall be and remain sufficient to pay (1) the principal of all the bonds then outstanding, (2) interest on the bonds until the next interest payment date, and (3) the Trustee's fees and expenses, there shall be no obligation to make any further payments into the Bond Fund and any Pledged Revenues remaining in the Bond Fund after the principal of, premium, if any and interest on the bonds have been paid may be used by the City for any lawful purpose.

(d) All moneys in the Bond Fund shall be used solely for the purpose of paying the principal of and interest on the bonds, and Trustee's fees, as the same become due.

(e) The Trustee is authorized and directed to withdraw moneys from the Bond Fund from time to time as necessary for paying principal of and interest on the bonds when due at maturity or at redemption prior to maturity and for making other authorized Bond Fund expenditures.

(f) The bonds shall be specifically secured by a pledge of the Pledged Revenues, which pledge in favor of the bonds is hereby irrevocably made according to the terms of this Ordinance, and the City, and the officers and employees of the City, shall

execute, perform and carry out the terms thereof in strict conformity with the provisions of this Ordinance.

(g) All Pledged Revenues remaining after making the required deposit into the Bond Fund shall be released from the pledge of this Ordinance and may be used by the City for any lawful purpose.

Section 9. Any bond shall be deemed to be paid within the meaning of this Ordinance when payment of the principal of and interest on such bond (whether at maturity or upon redemption as provided herein, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee, in trust and irrevocably set aside exclusively for such payment (1) moneys sufficient to make such payment and/or (2) Government Securities as defined in Section 16 hereof which are direct obligations of the United States of America (provided that such deposit will not cause any of the bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code")), maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee.

On the payment of any bonds within the meaning of this Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such bonds, all such moneys and/or Government Securities.

When all the bonds shall have been paid within the meaning of this Ordinance, and if the Trustee has been paid its fees and expenses, the Trustee shall take all appropriate action to cause (i) the pledge and lien of this Ordinance to be discharged and cancelled, and (ii) all moneys held by it pursuant to this Ordinance and which are not required for the payment of such bonds to be paid over or delivered to or at the direction of the City.

Section 10. The City covenants that it will not issue any bonds, or incur any obligation, secured by a lien on or pledge of the Pledged Revenues except as authorized in this Section. The City may issue bonds or incur obligations on a parity of security with the Series 1994 Bonds ("Additional Parity Bonds") under the provisions of this Ordinance if Pledged Revenues for the preceding 12 consecutive months are in excess of 125% of the average annual debt service requirements for the Series 1993 Bonds, the Series 1994 Bonds, any outstanding Additional Parity Bonds and the Additional Parity Bonds proposed to be issued. The City may also

issue bonds or incur obligations secured by a pledge of Pledged Revenues subordinate to the pledge in favor of the bonds.

Section 11. The Series 1994 Bonds shall be callable for payment prior to maturity in accordance with the terms set out in the face of the bond form set forth in Section 6 of this Ordinance. Additional Parity Bonds shall be subject to redemption prior to maturity in accordance with the terms set forth in the ordinance or ordinances authorizing their issuance.

Section 12. It is hereby covenanted and agreed by the City with the owners of the bonds that the City will faithfully and punctually perform all duties with reference to the Taxes and the bonds required by the Constitution and laws of the State and by this Ordinance, including the collection of the Taxes, as herein specified and covenanted and the applying of the Pledged Revenues as herein provided.

Section 13. The City Treasurer will keep or cause to be kept proper books of accounts and records (separate from all other accounts and records) in which complete and correct entries shall be made of all transactions relating to the Pledged Revenues and the Taxes and such books shall be available for inspection by the Trustee, the Purchaser and the owner of any of the bonds at reasonable times and under reasonable circumstances. Upon the written request by the Trustee, the City shall furnish a report to the Trustee on a monthly basis of all receipts and transfers of the Pledged Revenues and collections of the Taxes received by the City Treasurer. The Trustee shall provide the City with a semiannual report of all transactions relating to the Bond Fund, which semiannual report shall commence in June, 1994.

Section 14. (a) If there be any default in the payment of the principal of and interest on any of the bonds, or if the City defaults in the performance of any covenant contained in this Ordinance, the Trustee may, and shall, upon the written request of the owners of not less than 10% in principal amount of the bonds then outstanding, by proper suit compel the performance of the duties of the officials of the City under the Constitution and laws of the State and under this Ordinance, and to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

(b) No owner of any bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or in law for the protection or enforcement of any right under this Ordinance or under the Constitution and laws of the State unless such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than

10% in principal amount of the bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of this Ordinance or to any other remedy hereunder. It is understood and intended that no one or more owners of the bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Ordinance, or to enforce any right hereunder except in the manner herein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all owners of the outstanding bonds, and that any individual rights of action or other right given to one or more of such owners by law are restricted by this Ordinance to the rights and remedies herein provided.

(c) All rights of action under this Ordinance or under any of the bonds, enforceable by the Trustee, may be enforced by it without the possession of any of the bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the bonds, subject to the provisions of this Ordinance.

(d) No remedy herein conferred upon or reserved to the Trustee or to the owners of the bonds is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or given by any law or by the Constitution of the State.

(e) No delay or omission of the Trustee or of any owners of the bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by this Ordinance to the Trustee and to the owners of the bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(f) The Trustee may, and upon the written request of the owners of not less than a majority of the owners in principal

amount of the bonds then outstanding shall waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provisions of this Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 15. When the Series 1994 Bonds have been executed by the Mayor and City Clerk and the seal of the City impressed or imprinted as herein provided, they shall be delivered to the Trustee, which shall authenticate them and deliver them to the Purchaser upon payment of the Purchase Price. The accrued interest shall be deposited in the Bond Fund. The expenses of issuing the Series 1994 Bonds as set forth in letter instructions of the City signed by the Mayor and City Clerk shall be paid from the Purchase Price.

An amount of the Purchase Price that is sufficient, along with other moneys set aside and appropriated hereby for such purpose, to accomplish the refunding shall be deposited with First Stuttgart Bank and Trust Company, Stuttgart, Arkansas, as escrow agent.

The balance of the Purchase Price, if any, shall be deposited in a special account of the City hereby created and designated the "1994 Cost of Issuance Fund" (the "Cost of Issuance Fund") in the Trustee. The moneys in the Cost of Issuance Fund shall be used for paying expenses for the refunding and issuing the Series 1994 Bonds. Disbursements shall be made from the Cost of Issuance Fund on the basis of requisitions which shall specify: the name of the person, firm or corporation to whom payment is to be made; the amount of the payment; the purpose of the payment; and that the payment is a proper charge on the Cost of Issuance Fund. Each requisition must be signed by the Mayor and City Clerk.

When all required expenses have been paid from the Cost of Issuance Fund, and if any funds remain therein at the time, this fact shall be evidenced by a certificate signed by the Mayor, which certificate shall state that all obligations payable from the Cost of Issuance Fund have been discharged as of a specified date. A copy of the certificate shall be filed with the Trustee, and upon receipt thereof the Trustee shall transfer any remaining balance in the Cost of Issuance Fund to the Bond Fund.

Section 16. (a) Moneys held for the credit of the Bond Fund shall be invested and reinvested in direct or fully guaranteed obligations of the United States of America (including any such securities issued or held in book-entry form on the books of the Department of the Treasury of the United States of America)

("Government Securities") or in time deposits or certificates of deposit of banks, including the Trustee, which are insured by FDIC, or, if in excess of insurance coverage, collateralized by Government Securities, all of which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the date or dates when the moneys will be required for payment of the principal of and interest on the bonds when due. The Trustee shall invest and reinvest pursuant to the direction of the City and in the Trustee's discretion in the absence of any direct instructions from the City.

(b) Obligations so purchased as an investment of moneys in any fund shall be deemed at all times to be a part of such fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investment shall be charged to such fund.

(c) Moneys so invested in Government Securities or in certificates of deposit of banks to the extent insured by FDIC need not be secured by the Trustee or by the depository bank.

(d) All investments and deposits shall have a par value (or market value when less than par), exclusive of accrued interest at all times at least equal to the amount of money credited to such funds and shall be made in such a manner that the money required to be expended from any fund will be available at the proper time or times.

(e) Investments of moneys in all funds shall be valued in terms of current market value as of the first day of each year, except that direct obligations of the United States (State and Local Government Series) in book-entry form shall be continuously valued at par or face principal amount.

Section 17. In the event the office of Mayor, City Clerk, City Council or City Treasurer shall be abolished or any two or more of such offices shall be merged or consolidated or in the event the duties of a particular office shall be transferred to another office or offices, or in the event of a vacancy in any such office by reason of death, resignation, removal from office or otherwise, or in the event any such officer shall become incapable of performing the duties of his office by reason of sickness, absence from the City or otherwise, all powers conferred and all obligations and duties imposed upon such office or officer shall be performed by the office or officers succeeding to the principal functions thereof, or by the office or officer upon whom such powers, obligations and duties shall be imposed by law.

Section 18. First Jacksonville Bank & Trust, Jacksonville, Arkansas is hereby appointed to act as Trustee and

Paying Agent pursuant to this Ordinance. The Trustee shall be responsible for the exercise of good faith and reasonable prudence in the execution of its trusts. The recitals in this Ordinance and in the bonds are the recitals of the City and not of the Trustee. The Trustee shall not be required to take any action as Trustee unless it shall have been requested to do so in writing by the owners of not less than 10% in principal amount of bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign by giving 60 days' notice in writing to the City Clerk and to the owners of the bonds, and the majority in principal amount of the owners of the outstanding bonds at any time, with or without cause, may remove the Trustee. In the event of a vacancy in the office of Trustee, the majority in principal amount of the owners of the outstanding bonds may appoint a new Trustee, such appointment to be evidenced by a written instrument or instruments filed with the City Clerk. If the majority in principal amount of the owners of the outstanding bonds shall fail to fill a vacancy within 30 days after the same shall occur, then the City shall forthwith designate a new Trustee by a written instrument filed in the office of the City Clerk. The new Trustee shall be a bank or a trust company in good standing located in or incorporated under the laws of the State, duly authorized to exercise trust powers and subject to examination by federal or State authority, having a reported capital and surplus of not less than \$5,000,000. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts imposed upon it by this Ordinance, but only upon the terms and conditions set forth in this Ordinance and subject to the provisions of this Ordinance, to all of which the respective owners of the bonds agree. Such written acceptance shall be filed with the City Clerk, and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee. The Trustee's resignation shall take effect upon the acceptance of the trusts by the successor Trustee.

Section 19. (a) The terms of this Ordinance shall constitute a contract between the City and the owners of the bonds and no variation or change in the undertaking herein set forth shall be made while any of the bonds are outstanding, except as hereinafter set forth in subsections (b) and (c).

(b) The Trustee may consent to any variation or change in this Ordinance in connection with the issuance of Additional Parity Bonds or in order to cure any ambiguity, defect or omission in this Ordinance or any amendment hereto without the consent of the owners of the outstanding bonds.

(c) The owners of not less than 75% in aggregate principal amount of the bonds then outstanding shall have the right, from time to time, anything contained in this Ordinance to the contrary notwithstanding, to consent to and approve the adoption by the City of such ordinance supplemental hereto as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Ordinance or in any supplemental ordinance; provided, however, that nothing contained in this Section shall permit or be construed as permitting (1) an extension of the maturity of the principal of or the interest on any bond, or (2) a reduction in the principal amount of any bond or the rate of interest thereon, or (3) the creation of a pledge of the Pledged Revenues superior to the pledge created by this Ordinance, or (4) a privilege or priority of any bond or bonds over any other bond or bonds, or (5) a reduction in the aggregate principal amount of the bonds required for consent to such supplemental ordinance.

Section 20. (a) The City covenants that it shall not take any action or suffer or permit any action to be taken or condition to exist which causes or may cause the interest payable on the bonds to be included in gross income for federal income tax purposes. Without limiting the generality of the foregoing, the City covenants that the proceeds of the sale of the bonds and the Pledged Revenues will not be used directly or indirectly in such manner as to cause the bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The City represents that it has not used or permitted the use of, and covenants that it will not use or permit the use of the Improvements or the proceeds of the bonds, in such manner as to cause the bonds to be "private activity bonds" within the meaning of Section 141 of the Code. In this regard, the City covenants that (i) it will not use (directly or indirectly) the proceeds of the bonds to make or finance loans to any person, and (ii) that while the bonds are outstanding the Improvements will only be used by persons on a basis as members of the general public.

(c) The Series 1994 Bonds are hereby designated as "qualified tax-exempt obligations" within the meaning of the Code. The City represents that the aggregate principal amount of its qualified tax-exempt obligations (excluding "private activity bonds" within the meaning of Section 141 of the Code which are not "qualified 501(c)(3) bonds" within the meaning of Section 145 of the Code), including those of its subordinate entities, issued in calendar year 1994 will not exceed \$10,000,000. The City further represents that it does not reasonably expect that it and all subordinate entities will issue tax-exempt obligations (not

including "private activity bonds" within the meaning of Section 141 of the Code) in amounts exceeding \$5,000,000 in calendar year 1994. The City covenants that at least 95% of the net proceeds of the Bonds Refunded will be used to accomplish the Improvements.

Section 21. The City covenants that it will take no action which would cause the bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code. Nothing in this Section shall prohibit investments in bonds issued by the United States Treasury.

Section 22. The City covenants that it will submit to the Secretary of the Treasury of the United States, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Series 1994 Bonds are issued, a statement concerning the Series 1994 Bonds which contains the information required by Section 149(e) of the Code.

Section 23. All moneys in the 1991 Bond Fund which relate to the Bonds Refunded, as opposed to the Series 1993 Bonds, are hereby appropriated and shall be used to accomplish the refunding. In this regard, there shall be appropriated from the Debt Service Reserve Account in the 1991 Bond Fund an amount equal to the proceeds of the Bonds Refunded deposited therein plus investment earnings thereon which remain therein. The Debt Service Reserve Account shall thereafter be increased to the required level in the manner provided in Ordinance No. 1530. The City also hereby appropriates such additional amounts as necessary to accomplish the refunding from the City's General Fund - Capital Account.

Section 24. The provisions of this Ordinance are separable and in the event that any section or part hereof shall be held to be invalid, such invalidity shall not affect the remainder of this Ordinance.

Section 25. All ordinances and resolutions and parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

Section 26. It is hereby ascertained and declared that the refunding must be accomplished as soon as possible in order to lower the interest cost on obligations payable from the Pledged Revenues. The refunding cannot be accomplished without the issuance of the Series 1994 Bonds, and therefore, it is declared that an emergency exists and this Ordinance being necessary for the preservation of the public peace, health and safety shall be in force and take effect immediately upon and after its passage.
